About Me

I'm a skilled Full stack Web Developer, and App Developer with experience in JavaScript, Java, XML, and expertise in frameworks like React, Node.js, and Three.js. I'm a good team player and collaborate closely with clients to create efficient, scalable, and user-friendly solutions that solve real-world problems. Let's join together to bring the ideas to life!

Experience

Selfcare Apparels, 2021 - 2022

Wordpress Developer

I was led to update their website on a daily basis to upgrade the user interface and enhance user experience.

IEEE Bombay Section SAC, 2023 - 2024

Operations Team Member

Entrusted with overseeing IEEE BS operations, I served as the website chair for 'IBSYWLC 2023,' managing its creation and updates. Currently, I contribute to the website team for 'AISYWLC 23,' an event hosted by IEEE BS SAC.

IEEE Bombay Section, Sep - Oct 2023

Full Stack Developer

I was led to develop modules for the websites of IEEE. Where I got a certificate of appreciation as well as a Letter of Recommendation, and got the goodies from IEEE Bombay Section.

Unscrap Media, July 2023 - Present

Web Developer

I am led to face clients and make their as per their requirements and also I led a team of 3 developers, who work under me as an intern for 3-4 months.

Achievements

IEEE XTREME 16.0

My team 'DevOutlooks' ranked 4th in our college for IEEE XTREME 16.0 competition.

Teaching (Offline & Online)

I taught over 60+ students offline and 150+ students online about Web & App Development.

2 x Technothon Winner (Hackathon)

My team won TECHNOTHON 2023 as well as TECHNOTHON 2024 hosted by VES Polytechnic and won cash prize of ₹10,000.

SMELT 4.0 Winner

Our college in collaboration with IEEE VSIT ranked 3rd in the IEEE SMELT 4.0 competition where we pitched an idea about the upcoming events for IEEE.

Techspardha Winner

My Team won 1st prize in 2 projects which we showcased in our college.

IEEE XTRME 17.0 Student Ambassador

I got an opportunity to be an ambassador for IEEE XTREME 17.0 representing VIT, and also hosted IEEE XTREME 17.0 online, where students interacted with each other.
